

FlippaBall Program Fee Structure for Season 2024-25

The FlippaBall Program Fees for the season 2024-25 are detailed below.

The Club understands the continued challenging economic environment and the current cost of living pressures on families particularly for those with children who play multiple sports. The Club continues to place value on providing opportunities for children to participate in the Club's grass roots competition, Flippaball and Saturday Junior programs. In light of this, and taking into account the increases in operational costs incurred by the Club in the past year, the Committee has made a decision to slightly increase the Club Fees for the season for both the Friday Night Flippaball Program and also the Saturday Junior Programs.

The Program fees are broken down into the following components and all components are compulsory. For the ***Club's term and conditions, please review these on the Club Website***. These should be read in detail before registering and paying for your season's fees.
